EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the CLAIMS, --CANCEL claims 12-21--.

Election/Restrictions

This application is in condition for allowance except for the presence of claims 12-21 to an invention non-elected without traverse. Accordingly, claims 12-21 have been cancelled.

Allowable Subject Matter

Claims 2, 3, 6-9, 22, and 23 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 6 and 9 state the limitation "a cap which covers the transmission lines, one end of the cap being grounded to the grounding surface". Although caps, covering transmission lines and being grounded to a common ground is known in the art, one skilled in the art would not be motivated to provide such a cap on the invention of Haba as it is a critical feature of that invention that the lines be uncovered to allow for inspection and manipulation of the same. Therefore, it is deemed that this limitation,

in conjunction with the other claimed limitations was neither found to be disclosed in, nor suggested by the prior art.

Regarding claims 2, 3, and 23, Applicants have argued that the prior art does not disclose that each individual transmission line is supported by a plurality of dielectric supports, such as shown in figure 4 of the instant application. Viewed in this light, Examiner must agree that the prior art indeed is lacking disclosure or suggestion of this limitation, in conjunction with the other claimed features. Therefore these claims are deemed allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
